

SunWash 40AF

1. Description

SunWash 40AF is a universal water miscible wash. It is suitable for the manual cleaning on sheetfed and coldset presses.

2. Product features

SunWash 40AF is:

- free of aromatic compounds
- has a strong dissolving capacity
- is water miscible
- is corrosion inhibited

3. Product suitability

- For manual cleaning of blankets
- For manual cleaning of rollers
- For manual cleaning of press parts

SunWash 40AF is not suitable for automatic cleaning devices with the exception of presses built before 1995, if technically well-maintained. If used there please follow the instruction of the automatic cleaning device.

4. Packaging sizes

SunWash 40AF is available in 25l, 200l, 600l and 1000l containers.

5. General handling

Protect the product from extreme climatic conditions. Do not store at temperatures above 35°C or below -10°C.

Take the necessary precautions to avoid that accidental leakage pollutes the environment.
